NOWRUZ OWLIYAGULYYEW

FRONT-END DEVELOPER

Motivated and detail-oriented Front-End Developer with over 1.5 year of hands-on experience in building and optimizing responsive web applications. Proficient in modern front-end technologies including React, Next.js, and TypeScript. Demonstrated ability to work on complex projects with admin panels, performance optimizations, and scalable architecture. Seeking to join a dynamic development team to contribute to impactful projects and continue growing as a developer.

EXPERIENCE

FRONTEND DEVELOPER

BereketBendi HJ   August 2024 - December 2024

- Collaborated on a music platform project with performance-focused development
- Used useMemo() and useCallback() for code optimization
- Supported the team in delivering modular and scalable UI components

FRONTEND DEVELOPER

Geek Space TM   February 2024 - August 2024

- Developed and optimized a large-scale e-commerce web application
- Built user-facing interfaces and worked with admin panel features
- Contributed to project performance improvements using React hooks

SKILLS

Languages & Frameworks
HTML, CSS, JavaScript, TypeScript, React JS, Next JS, Node JS, Express JS

State Management & Tools
Redux Toolkit, Zustand, React Query, Git, WebSocket, REST API

UI Libraries & Styling
Bootstrap, Tailwind CSS, MUI, Shadcn/UI, Framer Motion
